YOUR MEMBERSHIP CHAIRMAN REPORTS

As of April 1, 1983, C.A.W.M.C., boasts a membership of 137 for 1983. We had a excellent response to the "FINAL NOTICE" included for some of you with the March "Timbertalk".

Of concern to me is the fact that 34 of our 1982 members did not renew. I will undertake a special mailing to these people, plus a few others, to encourage their renewal and ask how C.A.W.M.C., can better serve its members. In fact, all of you are invited to write to Stan Clute, myself, or any member of the executive to voice your opinions.

The 137 members for 1983 include 93 from Canada, and 44 from the United States. By Province in Canada we have the following distribution:

Ontario	50	Saskatchewan	6
Alberta	13	Nova Scotia	4
New Brunswick	7	Manitoba	3
Quebec	7	British Columbia	3

Don't forget to promote new memberships as you go about your collecting routines. Have a great year.

Don R. Robb
Membership Chairman

A couple of weeks ago Al Munro was in Toronto for a short visit and we arranged to get together at Russ Brown's one evening. Russ, Al Pliman, Paul Johnson, Al Kasman, Howard Richardson, and myself were in attendance, and although I had talked to Al on the phone and have been writing him for a few years it was a pleasure to finally meet him. Over the last few years other wood collectors have also been in town, Garry Braunwarth and Ian Graham attended some meetings of the local clubs and were welcomed by the members. Wooden money collectors are a fun group and I am sure that if you are in a different city and call up a wood collector they will try to make your visit a welcome one. Russ Brown tells me that when he was out west he had a real good time with the western collectors. Over the last several years I have met many collectors at the different shows and we always have a good time, so if you get a chance to do a little travelling take along some wood, and try to arrange to meet your fellow collectors.
